## Planning Division Update

The Planning Division coordinates the City's review of residential and commercial development projects. The Planning Division evaluates the project for compliance with the City's General Plan, Zoning Code, and other City Standards. Below is a selected list of projects currently under review:

- 7525 Auburn Blvd.- Family Ministries for Christ submitted an application for a Use Permit to operate a 30-45 member congregation to utilize an existing tenant space within Pratt Station as a meeting facility. Operations include occasional small group meetings during the week and weekly Sunday services.
- 7625 Antelope Road – Mariposa Creek Subdivision. Proposed new subdivision of 15 single-family homes.
- 7534 Old Auburn Road – Bearpaw Village. Review for the development of a 43-unit town-home project.
- 7601 Sunrise Boulevard – Human Bean. Application has been received to construct a drive-thru coffee kiosk on a vacant parcel just north of Old Auburn Road and Sunrise Boulevard.

### Hen Keeping

The City Council approved the revisions to the City's Animal Keeping regulations that will allow the keeping of hens on all single-family property sites, regardless of lot size. The City's Zoning Code previously only permitted chickens on residential lots 10,000 square feet or larger which are mainly found in more rural areas of the City. The regulations require that hens must be contained from sunset to sunrise as well as provide requirements as to where a coop may be placed. Note: this does not change the existing regulations on the keeping of roosters. Roosters are only permitted on lots within the RD-1 or RD-2 zoning district or on residential lots of 20,000 sf and larger. To learn more about the specific changes contact the Planning Division (916) 727-4740.

## World Rabies Day - September 28, 2016

World Rabies Day (WRD) is traditionally observed in the last week of September each year. Many pets vaccinated at past WRD events are likely due for re-vaccination. Check with your veterinarian to make sure rabies vaccinations are up to date!

Some local veterinary clinics in the greater Sacramento region are hosting special vaccination events in honor of WRD this week. If you miss these, there are many other low cost vaccination clinics in this area. Call Citrus Heights Animal Services 916-725-7387 for more info!

## TOP TEN REASONS TO FIX YOUR PET!

1. Your female pet will live a longer healthier life. Spaying helps prevent uterine infections & mammary cancers.
2. Neutering provides major health benefits for your male and prevents testicular cancer.
3. Your spayed female won't go into heat.
4. Your male dog won't want to roam away from home.
5. Your neutered male will be much better behaved and less territorial.
6. Spaying or neutering will NOT make your pet fat. Over-feeding your pet will.
7. It is less expensive than caring for a litter.
8. Spaying & neutering pets prevents unwanted litters and homeless stray or feral animals.
9. Your pet doesn't need to have a litter for your children to learn about the miracle of birth. There are books for that!
10. Spaying and neutering helps fight overpopulation.

## Citrus Heights Community Center

The Community Center is currently at 6064 bookings since opening in 2010; the Center continues to be busy. Some new roses as well as a Red Flag Crepe Myrtle have been planted at the east entrance to the facility. Additionally, new jasmine vines and native geraniums will be planted on the east patio to add some texture and color. The glazed blue pots on the patio will be planted as well and linked to the site irrigation system. Some of this is ongoing work so expect to see things changing slowly. Umbrellas for the patio tables will also be available by the end of august. There will be year round installations that can handle all possible weather concerns. Staff is still in the process of having the inverters repaired and the long anticipated water troughs for the hall water fall are finally at the powder coater.

## Don't Be The "Hazard" in Household Hazardous Waste!

Household Hazardous Waste, commonly referred to as HHW, is not just hazardous in your house, it is hazardous in the trash as well. These items are often toxic and flammable.

When we improperly dispose of something *toxic, acidic, or poisonous* in the trash, it can very easily end up in our soil or water, or even on the hands of our waste providers. Liquid spills will spread and contaminate quickly, so do not throw away item marked *toxic, acidic, or poisonous* in the trash. When we improperly dispose of something *flammable*, it has the potential to start a fire. This fire could start in your trash bin, in the back of a waste truck, or at a transfer station or landfill.

The safety of your waste hauler, neighbors, and your home is in your hands. If something is marked DANGER, CAUTION, WARNING, FLAMMABLE, or POISON, think before you throw it in the trash. Don't turn a household hazardous waste item into an actual hazard.

### \*Dispose of your HHW safely and for free\*

Saturday, October 15<sup>th</sup>, join Republic Services at Sunrise Mall (parking lot behind Macy's Women's store) for the last HHW collection event of the year. This event is free for Citrus Heights residents, and will take place from 8am-1pm. Call (916) 638-9000 or (916) 725-9060 to RSVP.

## Halloween Safety Tips

Halloween or All Hallows' Eve is night of celebration dedicated to remembering the dead, saints, martyrs and the faithful departed. The Celtic holiday has evolved from being about ghosts and ghouls to being more about costumes and candy. People of all ages celebrate the holiday and the night is filled with pedestrians running the streets looking for their next candy treat.

### TRICK OR TREAT?

According to Safe Kids Worldwide, "On average, children are more than twice as likely to be hit by a car and killed on Halloween than any other day of the year." Make the night full of treats and fun by ensuring that everyone is visible and safe. Here are some things you can do:

Decorate costumes and bags with reflective tape or stickers and, if possible, choose light colors. Since masks can sometimes obstruct a child's vision, try non-toxic face paint and makeup whenever possible.

Have kids use glow sticks or flashlights to help them see and be seen by drivers.

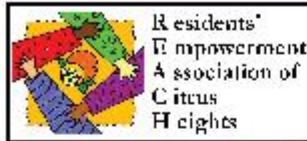

Children under the age of 12 should not be alone at night without adult supervision. If kids are mature enough to be out without supervision, remind them to stick to familiar areas that are well lit and trick-or-treat in groups.

Popular trick-or-treating hours are 5:30 p.m. to 9:30 p.m. so be especially alert for kids during those hours.

When selecting a costume make sure it is the right size to prevent trips and falls.

Kids are not the only ones who celebrate the holiday. Many adults choose to drink and party on Halloween. The National Highway Traffic Safety Administration reports that in 2011, 38 percent of fatalities on Halloween night involved a driver that was driving under the influence. Remember, if you drink – BE SAFE! Designate a sober driver to drive for you. If you see motorists driving erratically who could possibly be under the influence, contact your local law enforcement. If you drive, use caution! Drive slowly and be alert for pedestrians. Let's each do our part to keep Halloween a fun and safe night for all!

# COME JOIN YOUR NEIGHBORS!

Empowerment  
Association of  
Citrus  
Heights

## Your Local Neighborhoods Help Make Citrus Heights a Great Place to Live!

### Get involved and make a positive impact in your neighborhood!

Congratulations! As a resident of Citrus Heights, you are a member of a Neighborhood Association! You are invited to join your neighbors at their regular meetings, to volunteer in local events and make a difference in your community! The Neighborhoods are here to help you. Best of all, you don't have to pay dues or own your home in order to belong.

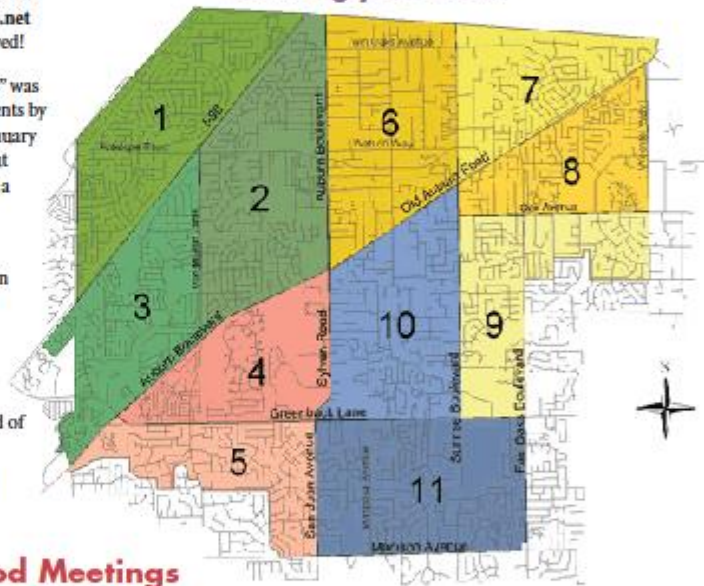

Anyone who lives, rents, or owns property or a business in Citrus Heights can get involved! Citrus Heights is divided into 11 Neighborhoods, and each Neighborhood is represented by a Neighborhood Association (Areas 7 & 8 are combined). Visit the City's website [www.citrusheights.net](http://www.citrusheights.net) and find out more information about how to get involved!

Did you know that the creation of the "Neighborhoods" was voted by the public as one of the Top 10 Accomplishments by the City of Citrus Heights since its incorporation in January 1997? You owe it to yourself and your family to find out why so many think the Neighborhood Associations are a wonderful benefit for residents of Citrus Heights!

The area groups usually meet once a month to solve neighborhood issues such as traffic or crime, to work on various projects, to host City information sessions, to network, have fun and much more.

All of the Neighborhoods are part of REACH (Residents' Empowerment Association of Citrus Heights). REACH is a coalition that consists of a Board of Directors composed of a representative from each neighborhood. REACH meets the 1<sup>st</sup> Monday of each month at 6:30 p.m. in Police Department Community Room (6315 Fountain Square Drive, Citrus Heights).

The total sum of the loan, with interest, will be due at the end of the 30-year term, upon sale or transfer of the property or if the borrower no longer occupies the home as their primary residence. The borrower must contribute a minimum of 1.00% of the purchase price. The actual amount of assistance is based on financial capacity.
