## From the Office of the Chief

**By Ronald A. Lawrence**

Just as in January, statistics for February 2018 continue to trend down when compared to February of 2017. Violent crime overall dropped by 14% with aggravated assault down by three percent, and simple assault down 26% when compared to February 2017. Homicide and rape remain unchanged for the same period and robbery remains the only violent crime category seeing an increase with two more incidents than last year.

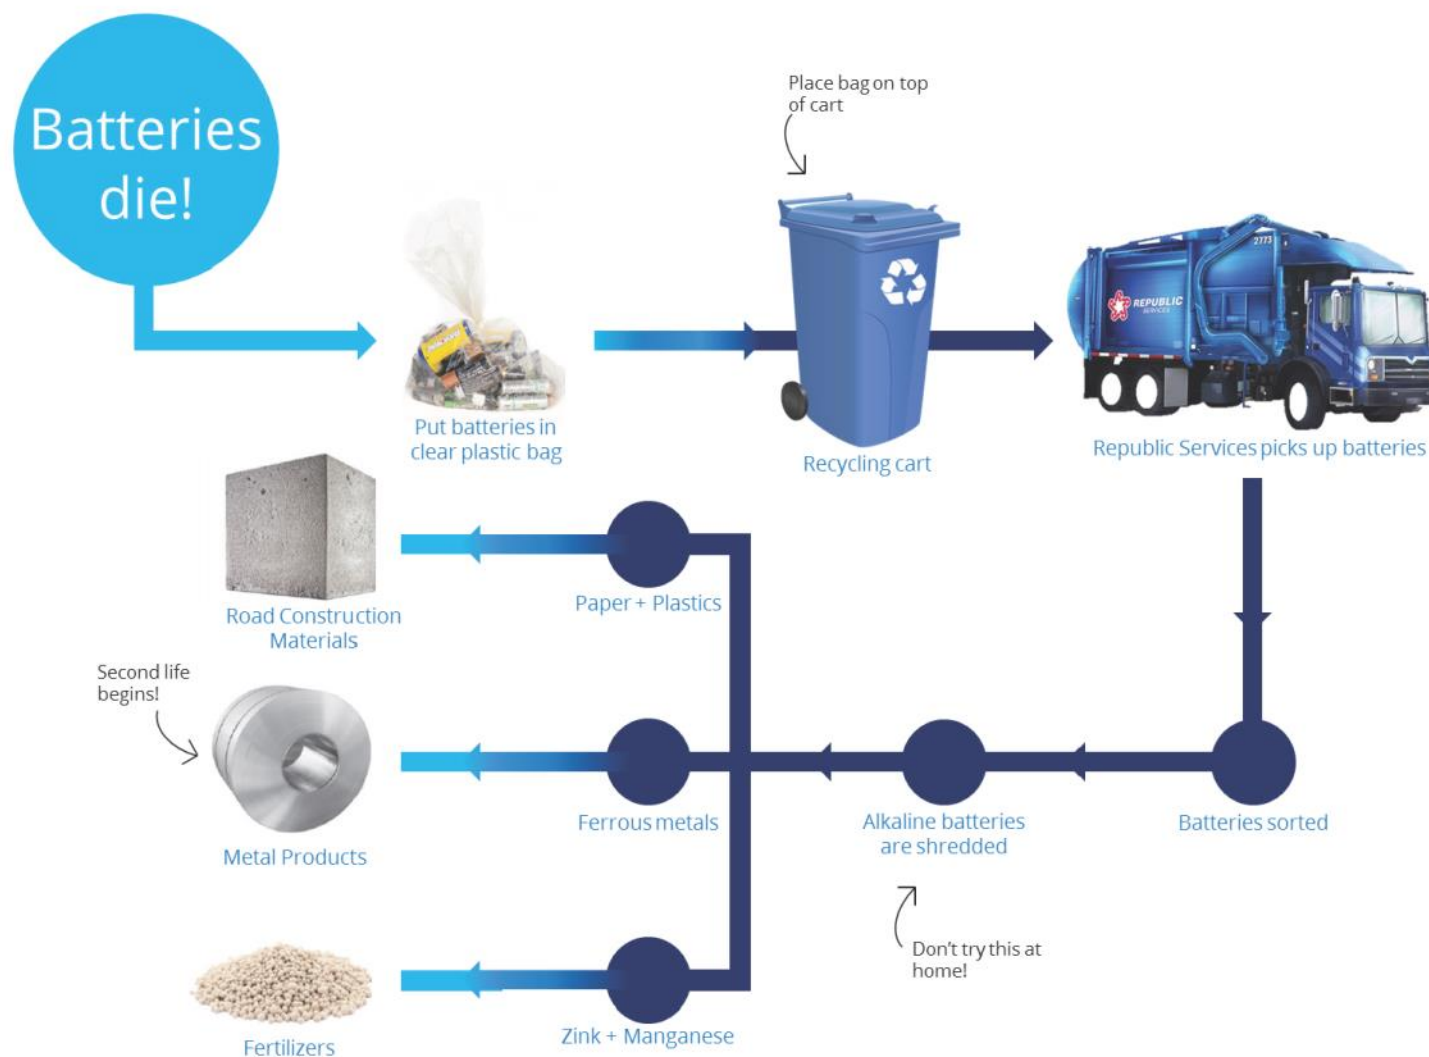

Property crime in Citrus Heights for February continues to see a decrease as well at 17% compared to February 2017. Burglary, larceny, motor vehicle theft, and arson-related offenses were down for this month with 86 fewer total incidents overall than during the same period last year.

Overall, traffic collisions saw a decrease of 30% when compared to February 2017. Property damage collisions decreased by 27%, injury collisions were down 32%, and there have been no fatal collisions during this time. DUI collisions saw a reduction of 25% overall.

While CHPD continues to focus on vehicle burglaries and DUI enforcement, we are also engaging with the community on a regular basis. In the month of March, we hosted and participated in Tip-A-Cop at Texas Roadhouse and were able to raise over \$4,000 for the Special Olympics of Northern California being held in June of 2018. We also hosted a "Coffee with a Cop" at Pastor's Valero Espresso Bar on Sunrise and were able to meet some of our community members. We are so grateful for the continued support we receive from the community and look forward to future events.

# How it works

Learn about the process of where your batteries go after you dispose of them through recycling.

## MOST BATTERIES ARE 100% RECYCLABLE!

Batteries are hazardous waste. Putting batteries in your trash cart means your batteries will end up in the landfill. This is dangerous for the driver who picks them up as adding pressure to batteries can cause fires. When batteries break down in a landfill, they release toxic metals that can leach into the ground, contaminating soil and underground water. This is why it's against the law to throw away batteries in the trash cart. Republic Services will pick up your *household batteries* and ensure they are properly recycled. Just put your household batteries in a clear sealable bag on top of your blue cart and Republic Services will take care of the rest. \*Remember to tape both sides of your lithium batteries before recycling them!

# Graffiti Reporting

Keeping the city clean and presentable is a team effort! If you are witnessing tagging or graffiti in progress, please call the Citrus Heights Police Department non-emergency number, (916) 727-5500. Report graffiti on public property to the General Services Department by our online app, city website ([citrusheights.net](http://citrusheights.net)), or by phone, (916) 727-4770.

1. **Location**—Is it public or private property? Where is it (address or intersection) and what type of object is the graffiti on (walls, poles, utility box, bus stops, bridges, etc.)? When graffiti is on private property, the property owner will be advised by the Code Enforcement Division to fix the problem.
2. **Markings or words**—Report certain symbols, signatures, or if words are used to help identify trends in the area. Knowing the color helps staff visually find the graffiti faster.
3. **Photos**—sending a photo can help staff locate the problem faster. Our graffiti removal contractors also take pictures for a before and after reference.
4. **Removal**—pressure washing, painting and chemical cleaning are all methods used by the city to remove unsightly graffiti from public property.

## Solid Waste Reminders!

1. Keep 3 feet between cans & other objects and 6 feet between vehicles & large objects!
2. Place cans out by 6 AM on your pick up day! Bring carts in as soon as possible!
3. Neighborhood Cleanups are three (3) times a year! Call (916) 727-4770 to get more information on your schedule!

**WHAT IS STAND DOWN?**

The original Stand Down was designed for homeless Veterans and modeled after the "Stand Down" concept used during the Vietnam War to provide a safe retreat for units returning from combat operations. At secure base camp areas, troops were able to take care of personal hygiene, get clean uniforms, enjoy warm meals, receive medical and dental services, mail and receive letters, and enjoy the camaraderie of friends in a safe environment. A Stand Down afforded battle-weary soldiers the opportunity to renew their spirit, health, and overall sense of well-being. Achieving these objectives requires a wide range of support services and time. Stand Downs are successful because we bring many services to one location, making them easily accessible to homeless and struggling veterans.

# COME JOIN YOUR NEIGHBORS!

## Your Local Neighborhoods Help Make Citrus Heights a Great Place to Live!

*Get involved and make a positive impact in your neighborhood!*

Congratulations! As a resident of Citrus Heights, you are a member of a Neighborhood Association! You are invited to join your neighbors at their regular meetings, to volunteer in local events and make a difference in your community! The Neighborhoods are here to help you. Best of all, you don't have to pay dues or own your home in order to belong.

Anyone who lives, rents, or owns property or a business in Citrus Heights can get involved! Citrus Heights is divided into 11 Neighborhoods, and each Neighborhood is represented by a Neighborhood Association (Areas 7 & 8 are combined). Visit the City's website [www.citrusheights.net](http://www.citrusheights.net) and find out more information about how to get involved!

Did you know that the creation of the "Neighborhoods" was voted by the public as one of the Top 10 Accomplishments by the City of Citrus Heights since its incorporation in January 1997? You owe it to yourself and your family to find out why so many think the Neighborhood Associations are a wonderful benefit for residents of Citrus Heights!

The area groups usually meet once a month to solve neighborhood issues such as traffic or crime, to work on various projects, to host City information sessions, to network, have fun and much more.

All of the Neighborhoods are part of REACH (Residents' Empowerment Association of Citrus Heights). REACH is a coalition that consists of a Board of Directors composed of a representative from each neighborhood. REACH meets the 1<sup>st</sup> Monday of each month at 6:30 p.m. in City Hall Community Room (6360 Fountain Square Drive, Citrus Heights).
