

Temporary Custody of Adults

900.1 PURPOSE AND SCOPE

This policy provides guidelines to address the health and safety of adults taken into temporary custody by members of the Citrus Heights Police Department for processing prior to being released or transferred to a housing or other type of facility.

Temporary custody of juveniles is addressed in the Temporary Custody of Juveniles Policy. Juveniles will not be permitted where adults in custody are being held.

Custodial searches are addressed in the Custodial Searches Policy.

900.1.1 DEFINITIONS

Definitions related to this policy include:

Holding cell/cell - Any locked enclosure for the custody of an adult or any other enclosure that prevents the occupants from being directly visually monitored at all times by a member of the department.

Lock Up Facility - Holding facility with an unsecured door that leads to the outside.

Temporary custody - The time period an adult is in custody at the Citrus Heights Police Department prior to being released or transported to a housing or other type of facility.

900.2 POLICY

The Citrus Heights Police Department is committed to releasing adults from temporary custody as soon as reasonably practicable, and to keeping adults safe while in temporary custody at the Department. Adults should be in temporary custody only for as long as reasonably necessary for investigation, processing, transfer or release.

CHPD is considered a Lock Up Facility per The Board of State and Community Corrections.

900.3 GENERAL CRITERIA AND SUPERVISION

No adult should be in temporary custody for longer than four hours.

900.3.1 INDIVIDUALS WHO SHOULD NOT BE IN TEMPORARY CUSTODY

Individuals who exhibit certain behaviors or conditions should not be in temporary custody at the Citrus Heights Police Department, but should be transported to a jail facility, a medical facility or other type of facility as appropriate. These include:

- (e) Individuals who are obviously in crisis.
- (f) Individuals who are under the influence of alcohol, a controlled substance or any substance to the degree that may require medical attention, or who have ingested any substance that poses a significant risk to their health, whether or not they appear intoxicated.

- (h) Any individual who claims to have, is known to be afflicted with, or displays symptoms of any communicable disease that poses an unreasonable exposure risk (15 CCR 1051).

- (m) Any individual obviously suffering from drug or alcohol withdrawal (15 CCR 1213).

Officers taking custody of a person who exhibits any of the above conditions should notify a supervisor of the situation. These individuals should not be in temporary custody at the department unless they have been evaluated by a qualified medical or mental health professional, as appropriate for the circumstances.

900.3.2 SUPERVISION IN TEMPORARY CUSTODY

An authorized department member capable of supervising shall be available at all times when an individual is held in temporary custody. The member responsible for supervising should not have other duties that could unreasonably conflict with his/her supervision. Any individual in custody must be able to summon the supervising member if needed. If the person in custody is deaf or hard of hearing or cannot speak, accommodations shall be made to provide this ability (15 CCR 1027).

No individual in custody shall be permitted to supervise, control or exert any authority over other individuals in custody.

900.3.3 ENTRY RESTRICTIONS

Entry into any location where a person is held in custody should be restricted to:

Citrus Heights Police Department

- (a) Authorized members entering for official business purposes.
- (b) Emergency medical personnel when necessary.
- (c) Any other person authorized by the Watch Commander or supervisor.

When practicable, more than one authorized member should be present for entry into a location where a person is held in custody for security purposes and to witness interactions.

900.4 INITIATING TEMPORARY CUSTODY

The officer responsible for an individual in temporary custody should specifically ask if the individual is contemplating suicide and evaluate him/her for obvious signs or indications of suicidal intent.

The receiving officer should ask the arresting officer if there is any statement, indication or evidence surrounding the individual's arrest and transportation that would reasonably indicate the individual is at risk for suicide or critical medical care. If there is any suspicion that the individual may be suicidal, he/she shall be transported to the County jail or the appropriate mental health facility.

The officer should promptly notify the Watch Commander or on-duty supervisor of any conditions that may warrant immediate medical attention or other appropriate action. The Watch Commander or on-duty supervisor shall determine whether the individual will be placed in a cell, immediately released or transported to jail or other facility.

900.4.1 SCREENING AND PLACEMENT

The officer responsible for an individual in custody shall (15 CCR 1050):

- (a) Advise the Watch Commander of any significant risks presented by the individual (e.g., suicide risk, health risk, violence).
- (b) Only place one person in a cell at a time. The only exception would be suspects who are known to each other.

900.5 SAFETY, HEALTH AND OTHER PROVISIONS

900.5.1 ORTHOPEDIC OR PROSTHETIC APPLIANCE

Subject to safety and security concerns, individuals shall be permitted to retain an orthopedic or prosthetic appliance. However, if the member supervising the individual has probable cause to believe the possession of the appliance presents a risk of bodily harm to any person or is a risk to the security of the facility, the appliance may be removed from the individual unless its removal would be injurious to his/her health or safety.

Whenever a prosthetic or orthopedic appliance is removed, the supervisor shall be promptly apprised of the reason. It shall be promptly returned when it reasonably appears that any risk no longer exists (Penal Code § 2656; 15 CCR 1207).

900.5.2 MEDICAL CARE

First-aid equipment and basic medical supplies should be available to department members (15 CCR 1220). At least one member who has current certification in basic first aid and CPR should be on-duty at all times.

Should a person in custody be injured or become ill, appropriate medical assistance should be sought. A supervisor should meet with those providing medical aid at the facility to allow access to the person. Members shall comply with the opinion of medical personnel as to whether an individual in temporary custody should be transported to the hospital. If the person is transported while still in custody, he/she will be accompanied by an officer.

Those who require medication while in temporary custody should not be at the Citrus Heights Police Department. They should be released or transferred to another facility as appropriate.

900.5.3 TELEPHONE CALLS

No later than three hours after arrest, an individual in custody has the right to make at least three completed calls to an attorney, bail bondsman, and a relative or other person (Penal Code § 851.5). In providing further access to a telephone beyond that required by Penal Code § 851.5, legitimate law enforcement interests such as officer safety, effect on ongoing criminal investigations and logistics should be balanced against the individual's desire for further telephone access.

- (a) Telephone calls may be limited to local calls, except that long-distance calls may be made by the individual at his/her own expense.
 1. The Department should pay the cost of any long-distance calls related to arranging for the care of a child or dependent adult (see the Child and Dependent Adult Safety Policy).
 2. The provisions of Penal Code § 851.5 concerning this issue shall be posted in bold, block type in a conspicuous place within the facility.
- (b) The individual should be given sufficient time to contact whomever he/she desires and to make any necessary arrangements, including child or dependent adult care, or transportation upon release.
 1. Telephone calls are not intended to be lengthy conversations. The member assigned to monitor or process the individual may use his/her judgment in determining the duration of the calls.
 2. Within three hours of the arrest, the member supervising the individual should inquire whether the individual is a custodial parent with responsibility for a minor child, and notify the individual that he/she may make two additional telephone calls to a relative or other person for the purpose of arranging for the care of minor children (Penal Code § 851.5).
- (c) Calls between an individual in temporary custody and his/her attorney shall be deemed confidential and shall not be monitored, eavesdropped upon or recorded (Penal Code § 851.5(b)(1); 15 CCR 1068).

900.5.4 RELIGIOUS ACCOMMODATION

Subject to available resources, safety and security, the religious beliefs and needs of all individuals in custody should be reasonably accommodated (15 CCR 1072). Requests for religious accommodation should generally be granted unless there is a compelling security or safety reason and denying the request is the least restrictive means available to ensure security or safety. The responsible supervisor should be advised any time a request for religious accommodation is denied.

Those who request to wear headscarves or simple head coverings for religious reasons should generally be accommodated absent unusual circumstances. Head coverings shall be searched before being worn.

Individuals wearing headscarves or other approved coverings shall not be required to remove them while in the presence of or while visible to the opposite sex if they so desire. Religious garments that substantially cover the individual's head and face may be temporarily removed during the taking of any photographs.

900.5.5 FIREARMS AND OTHER SECURITY MEASURES

Firearms and other weapons and control devices shall not be permitted in secure areas where individuals are in custody or are processed. They should be properly secured outside of the secure area. An exception may occur only during emergencies, upon approval of a supervisor.

All perimeter doors to secure areas shall be kept locked from the outside at all times, except during routine cleaning, when no individuals in custody are present or in the event of an emergency, such as an evacuation.

900.5.6 REPORTING PHYSICAL HARM OR SERIOUS THREAT OF PHYSICAL HARM

Any incident that results in physical harm or serious threat of physical harm to a member, person in custody or any other person shall be documented as stated in the Use of Force or On-Duty Injuries policies, or other applicable reporting process. A copy of all reports generated regarding the above circumstances shall be submitted as soon as reasonably practicable.

900.5.7 DISCIPLINE

Discipline will not be administered to any individual in custody at this facility. Any individual in custody who repeatedly fails to follow directions or facility rules should be transported to the appropriate jail, mental health facility or hospital as soon as practicable. Such conduct should be documented and reported to the receiving facility (15 CCR 1081).

900.6 USE OF RESTRAINT DEVICES

Individuals in custody may be handcuffed in accordance with the Handcuffing and Restraints Policy.

Individuals in restraints shall be kept away from other unrestrained individuals in custody and monitored to protect them from abuse.

900.6.1 PREGNANT ADULTS

Women who are known to be pregnant should be restrained in accordance with the Handcuffing and Restraints Policy.

900.7 PERSONAL PROPERTY

The personal property of an individual in temporary custody should be removed, inventoried and processed as provided in the Custodial Searches Policy, unless the individual requests a different disposition. For example, an individual may request property (i.e., cash, car or house keys, medications) be released to another person. A request for the release of property to another person must be documented on the appropriate form.

The Watch Commander or on-duty supervisor shall be notified whenever an individual alleges that there is a shortage or discrepancy regarding his/her property. The Watch Commander or on-duty supervisor shall attempt to prove or disprove the claim.

900.8 HOLDING CELLS

A thorough inspection of a cell shall be conducted before placing an individual into the cell to ensure there are no weapons or contraband and that the cell is clean and sanitary. An inspection also should be conducted when he/she is released. Any damage noted to the cell should be photographed and documented.

The following requirements shall apply:

- (a) The individual shall be searched (see the Custodial Searches Policy), and anything that could create a security or suicide risk, such as contraband, hazardous items, belts, shoes or shoelaces and jackets, shall be removed.
- (b) The individual shall constantly be monitored by an audio/video system during the entire custody.
- (c) The individual shall have constant auditory access to department members.

900.9 SUICIDE ATTEMPT, DEATH OR SERIOUS INJURY

The Patrol Services Division Commander will ensure procedures are in place to address any suicide attempt, death or serious injury of any individual in temporary custody at the Citrus Heights Police Department. The procedures should include the following:

- (a) Immediate request for emergency medical assistance if appropriate.
- (b) Immediate notification of the Watch Commander, Chief of Police and Investigative Services Division Commander.
- (c) Notification of the spouse, next of kin or other appropriate person.
- (d) Notification of the appropriate prosecutor.

- (f) The individual is not permitted in any nonpublic areas of the Citrus Heights Police Department unless escorted by a member of the department.
- (g) Any known threat or danger the individual may pose (e.g., escape risk, suicide potential, medical condition) is documented, and the documentation transported with the individual if he/she is being sent to another facility.
 - 1. The department member transporting the individual shall ensure such risks are communicated to intake personnel at the other facility.
- (h) Generally, persons of the opposite sex, or adults and juveniles, should not be transported in the same vehicle unless they are physically separated by a solid barrier. If segregating individuals is not practicable, officers should be alert to inappropriate physical or verbal contact and take appropriate action as necessary.
