City of Citrus Heights Resident Survey October 2017

Methodology

- Multi-modal Address Based Sampling (ABS) survey in the City of Citrus Heights
- Conducted September 2 October 10, 2017
- Households were randomly sampled from a list of all residential addresses in the City of Citrus Heights
- All sampled households were mailed a postcard with a unique ID code inviting them to take the survey online, by phone, or request a paper copy
- To increase participation among renters and younger residents, reminder text messages were sent to those for whom a cell phone number was available and who did not respond to the initial postcard invitation
- 772 total residents; Margin of Error: ± 3.5 percentage points

_				
Mode	Completed Surveys			
Online	724			
Phone	15			
Mail	33			

- Responses were weighted by key household demographics to better reflect the most recent Census estimates of households in the City of Citrus Heights
- Where applicable results compared with previous research from FM3 (2012), [bw] Research (2007), and J. Moore Methods (2002)

Please note that due to rounding, some percentages may not add up to exactly 100%.

Analysis Regions

Key Findings

- By and large, residents are happy living in Citrus Heights, feel invested in the community, and are optimistic about its future
- While most feel safe in Citrus Heights, crime is still the top issue both as an independent priority and when compared to other issues
- Residents are content with the City's money management and the current level of taxes and services

MARKET & OPINION RESEARCH SERVICES

Q50a.

MARKET & OPINION RESEARCH SERVICES

Funding Priorities

Issue Importance

There is overwhelming consensus that crime and public safety is important for the City. Streets and roads, transparency, and economic development also receive high importance ratings, but share less intensity.

Q16-23. Please indicate how important each of the following is for the City of Citrus Heights to focus on.

City Council Priorities

Consistent with the larger issue priorities, police protection and 911 services rise to the top. The condition of streets and neighborhoods and reducing homelessness also generate high intensity.

	Very high priority		Somewhat high priorit			ty <u>High Priority</u>	
Providing police protection	82%			1	.3% 95%		
Providing 911 emergency services	81%			1	4% 95%		
Keeping neighborhoods clean	62%			31%	93%		
Filling potholes and maintaining city streets	69%				24%	92%	
Reducing homelessness	69%			18%		87%	
Maintaining parks, trails, and playgrounds	49%			38%	I	87%	
Managing growth and development	42%		39	39%		80%	
Providing job opportunities	44%		3	36%		80%	
Maintaining sidewalks	Maintaining sidewalks 44%		3!	35%		79%	
Bringing a wider variety of businesses and services to Citrus Heights	its 41%		38%		79%		
Increasing transparency in City government	41%		37%		78%		
Providing youth and teen programs	38%		37%		75%		
Providing senior citizen programs	32%		39%		71%		
Improving community engagement	26%		44%		70%		
Increasing public transportation options	27%	27% 34%		60%			
Organizing community events	15%	39%	54	%			
Building new single family homes	18%	31%	50%				

Q24-40. Please indicate how high a priority each of the following services should be for the Citrus Heights City Council.

City Council Priorities – Over Time

Safety-related services have increased in importance since 2012.

*In 2012, the choice was "providing better job opportunities". Q24-40. Please indicate how high a priority each of the following services should be for the Citrus Heights City Council.

City Council Priorities – Over Time, cont.

Street and sidewalk maintenance are also higher priority items now than in 2012.

Q24-40. Please indicate how high a priority each of the following services should be for the Citrus Heights City Council.

Modified Pairwise Comparison Testing

Every respondent was shown the same fourteen combinations of four funding priorities. For each combination, respondents were asked to choose the item in that list that would be their highest priority for funding.

- 14 combinations total
- Each item appeared 7 times
- Both question order, and the order of items within each pair were randomized*

Combining the answers to this series of questions results in a robust understanding of how survey respondents rank the importance of the entire set of funding priorities.

Funding Priority Items

Crime and public safety

Streets and roads

Economic development and jobs

The overall appearance of the city

Affordable housing

Senior services

Government transparency and citizen engagement

Public transportation

*One single randomized order was used for the paper version.

Total Number of Times Chosen

Nearly 40% chose crime and public safety every time it was offered and less than 10% never chose it.

*7 is the maximum number of times each item can be chosen. Ranked by number of times chosen all 7 times

Q51-64. Next you are going to see sets of the same focus areas for the City of Citrus Heights you rated earlier. For each set of four items, please choose the item in that set that would be your highest priority for funding. Some items will be repeated and you can choose an item more than once, but for each set of items, you may only choose one.

Priority Ranking Scores - Overall

In the comparison testing, public safety was by far the most chosen priority, with residents choosing it nearly two-thirds of the times it was offered.

*Ranked by priority score

Q51-64. Next you are going to see sets of the same focus areas for the City of Citrus Heights you rated earlier. For each set of four items, please choose the item in that set that would be your highest priority for funding. Some items will be repeated and you can choose an item more than once, but for each set of items, you may only choose one.

City Finances & Money Management

MARKET & OPINION RESEARCH SERVICES

Perceived Need for Funding – Over Time

Residents are slightly more likely to see a need for additional funding now than in 2012.

Q14. Would you say that to maintain essential services, the City of Citrus Heights has a great need for additional funding, some need, a little need, or no real need for additional funding?

Awareness of Debt

Only a quarter of residents know Citrus Heights has no debt.

As far as you know, does the City of Citrus Heights currently have:

City Services & Tax Management

Residents believe the City manages their tax dollars well and that they get good value for their taxes, but most also agree the City has enough revenue.

*Ranked by net agree

Q41-49. Please indicate to what extent you agree or disagree with each of the following statements.

City Services and Taxes Forced Choice

Nearly three-quarters of residents would opt to maintain current levels of services, taxes, and fees. There is very little appetite for reducing services to lower taxes and fees.
